

TEEN IDOL

WOULD YOU LIKE TO PARTICIPATE IN TEEN IDOL?

This is the activity where the teens between 8-15 years of age get to perform LIVE on stage. Choose your act of performance. If you want to sing please select a song from the song list provided, ask in the help desk for your lyrics sheet and start practicing. If you want to dance, choose a song from the song list provided. You can either perform a dance you already know or make up your own choreography, but remember that you can only use music from the song list provided. For the best experience, we recommend a little practice before our first rehearsal so that we can give you as good advice and feedback as possible.

Sign up with your act in Help Desk, and then join us for the two mandatory rehearsals. Take a look in your Teen Holiday Planner to get rehearsal times and what day it's Show Time.

Regarding activities free of charge; teens are free to join/leave with no guardian's signature needed.

Regarding activities at an extra charge, such as Teen Idol; teens may join the activity without being accompanied by a guardian IF they have signed up for the activity at Help Desk beforehand, i.e. if the guardian has given permission to charge for the activity, by signing the list provided.

Should teens arrive at the activity without being signed up on the list provided, i.e. there is no signature permitting a charge being made, the teen in question needs to fetch their guardian to give their permission regarding the charge.

This means that no guardian is required from an insurance point of view, but only for consenting to payment of the activity.

VERY WELCOME!
