

Mini Stars

In Mini Stars, your child will get the opportunity to perform to one of his/her favorite songs, as provided to you in the Mini Stars Song List.

There is a maximum of 35 participants for this activity, and the child has to be between 3–7 years old.

The activity includes a rehearsal of up to two hours (Information will be given at the start of the activity) and the evening show, which will take place on the same day. Participation at the rehearsal is mandatory. Everybody is welcome to watch the show in the evening!

During the rehearsal, the children will select show costumes from our great Mini Stars Costume Wardrobe. They will also practice the number on stage, and be interviewed by the Mini Stars Presenter.

For the evening show, the children will be given show make-up and changed into to show costumes. They will then perform their act on stage, give an interview and receive diplomas for participating.

The songs are edited in length, and if several artists decide on the same song, the artists will perform as a group on stage due to time limitations.

During the day time activity and the evening show time the parents have to sign in and out their children if they are to participate in this activity.

If you have any further questions regarding this activity, please do not hesitate to approach one of the hosts in the Show Team!

Welcome to the greatest show of the week!
